#### **WPS PESTICIDE SAFETY TRAINING**

- ☛ **Agricultural workers** must be trained **before** performing any task in a treated area on an agricultural establishment where within the last 30 days a pesticide product has been use or restricted-entry interval for such pesticide has been in effect.(40CFR section 170.401).
- ☛ **Agricultural handlers** must be trained **before** any handling activity is performed. (40CFR section 170.501).
- ☛ Workers and handlers must each be trained at least within the last 12 months. You must keep this record as training evidence.
